NOTICE TO ASSIGNEE:

Enclosed is FCC Form 732 notifying you of Commission consent to the assignment of the construction permit and/or license of the station(s) therein described. Voluntary assignments are required to be completed within sixty (60) days of the date granted.

In addition to the filing of the below mentioned FCC Form 323, you are required to immediately notify this office (1800B3), by letter, as to the exact date of the consummation; that is, the date on which the acts necessary to effect the assignment was completed.

Within thirty (30) days after the consummation of the assignment it will be necessary for you to submit an Ownership Report (FCC Form 323) reporting all changes as required by Section 73.3615 of the Rules. Where applicable, a separate Ownership Report should also be completed and submitted for any holding company (25% or greater ownership interest) of the licensee/permittee. Contractual information required by Section 73.3613 should be reported for the assignee in Item 6, page one of the Ownership Report and copies of each instrument should be submitted with the report. If this is an involuntary assignment that was the result of a death or court action, an Ownership Report must be filed to determine that all requirements of the Rules have been met and reported.

In the event the assignee is the licensee/permittee of another station and has a current Ownership Report on file, you may complete and file only page one of FCC Form 323 to reflect the acquisition of the station(s) listed above. FCC Form 323 is enclosed for filing convenience. Instructions for completing the report are on the reverse side.

It is of the utmost importance that all Commission correspondence comes to the immediate attention of the permittee or licensee. Only one mailing address can be maintained for each station. Unless we hear from you to the contrary, the above address will be used as your permanent mailing address.

If the assignor has any applications pending before the Commission, these applications must be amended to reflect the name of the assignee. Upon consummation of the assignment, amendments to each application must be filed by the assignee, in triplicate, signed by the proper party (see Section 73.3513 of the Rules). Further processing of these applications will be withheld pending receipt of the amendment.

Petition to Migrate to the  
Expanded Band

Dear Mr. Silverman:

We have received your petition to migrate to the expanded band for Station KRKE and we thank you for your interest. The Commission has calculated KRKE's interference improvement factor to be zero (0.0). In footnote 50 of Report and Order, MM Docket No. 87-267, Review of the Technical Assignment Criteria for the AM Broadcast Service, 6 FCC Rcd 6273 (1991), ("R&O"), the Commission concluded that daytime-only stations that have improvement factors equal to zero will not be eligible to migrate to the expanded band. Therefore, we will not include station KRKE in the allotment process.

Sincerely,

Signed James R. Burtle

In re: KRKE (AM)  
Aspen, Colorado

Dear Sir or Madame:

This letter concerns your pending request for authority to remain silent. Temporary authority is hereby granted for the above-referenced station to remain silent for three months from the date of this letter.

On December 11, 1991, the Commission adopted a Report and Order (copy attached) which amended Part 1 of the Commission's Rules, to implement Section 5301 of the Anti Drug Abuse Act of 1988. Pursuant to the Report and Order, any requests for extension of this authority must be accompanied by a certification that neither the applicant nor any party to the request is subject to a denial of Federal benefits under Section 5301. Please use the attached certification page to comply with this requirement.

Any further requests for extension of this authority must be accompanied by a detailed summary of steps taken to return the station to on-air operations. It will be necessary to maintain prescribed tower lighting in accordance with the stations license authorization. If an extension is not required, you are requested to notify the Commission, in writing, of the exact date the station resumes on-air operations.

In the event that any AM station remains silent for a period over 6 months, it will be necessary to file with the Commission, prior to returning the station to on-air operations, an FCC Form 302 for direct measurement of power which should include a partial proof of performance for stations with directional antennas.

Sincerely,

James R. Burtle

Re: KRKE (AM)

Request for Special Temporary Authority

Dear Ms. Searcy:

On behalf of Gardiner Broadcast Partners, Ltd. ("Gardiner"), and pursuant to FCC Rule § 73.1740, we hereby request special temporary authority for KRKE(AM) to be silent. The reason for this request is that Gardiner has lost its lease on the tower site due to the planned construction of a golf course on that site. Accordingly, it will be necessary to find a new site and relocate the tower. As soon as a new site is secured, Gardiner will file a modification application for this station.

Accordingly, for the foregoing reasons, we hereby request special temporary authority for KRKE(AM) to be silent for at least 90 days. Gardiner hereby certifies that it is not subject to a denial of federal benefits pursuant to Section 5301 of the Anti-Drug Abuse Act of 1988, 21 U.S.C. § 853a.
